Federal Election Commission
Washington, DC 20463

Dear Ms. Eger:

This letter is in response to the Commission's requests for additional information of November 24 and 26, 2010, as follows:

- The November 24 RFAI and the third item in the November 26 RFAI concern salaries paid to employees and reported on line 30(a) of the committee's August and September monthly reports. No such employee spent more than 25% of his or her compensated time on Federal election activity or activities in connection with a Federal election.
- The first and second items in the November 26 RFAI concern a cash management transfer that was disclosed on both our July and August monthly reports, which the committee described in our September 20 response to the Commission's September 10 RFAI:

"Item 1 relates to a cash management transfer that the committee made to its state account on June 29 and reported on both lines 22 and 9. The transfer was not used to finance activity in connection with federal elections and was repaid on July 1 as disclosed on our August monthly report."

The transfer from the committee's non-federal account dated July 1 and reported on lines 12 and 9 of the August report was in repayment of the transfer to that account dated June 29 and reported on both lines 22 and 9 of the July report.

We hope that this adequately addresses your request. If you have further questions, please contact the committee.

Sincerely,

Daniel Bush
